College Nine

**W**HAT AN EXTRAORDINARY YEAR THIS HAS BEEN. In these times of global, political, and economic challenges, UC Santa Cruz works even harder to deliver essential knowledge for building a better world. As highlighted in this report, our core assets—faculty, staff, students, alumni, and friends—continue to distinguish the university as one of the nation’s finest. Their achievements underscore UC Santa Cruz’s dedication to stellar research, innovative instruction, and exemplary community service.

During this decade, we will experience significant growth as the campus educates California’s next generation of leaders. To realize our ambitious goals, UC Santa Cruz must augment state funds, which cover only about 40 percent of our annual operating costs. For this reason, gifts at all levels—from every one of our supporters—will be crucial as we grow and build our excellence. Our top funding priorities include endowed professorships and chairs, program support, graduate fellowships, undergraduate scholarships, world-class information resources, and outstanding learning facilities.

Your generous contributions of time and money are keys to our success, and I thank you on behalf of the entire UC Santa Cruz family. Whether you decide to assist students, contribute to a friends group, or endow outstanding faculty, you will be an important part of our tradition of innovation.

I invite you to explore and invest in greater opportunities for supporting our achievements, and I look forward to celebrating our future success with you.

M.R.C. GREENWOOD  
Chancellor  
UC Santa Cruz

## From the President of the Foundation

This publication honors the individuals and organizations that have contributed to the university's excellence and promise. In helping the campus foster new knowledge and create social change, they fuel UCSC's dynamic academic achievements.

PROVIDING UC SANTA CRUZ with resources essential for fulfilling its mission is a primary way to ensure the future for generations to come.

Despite uncertain economic times, campus supporters continue to express their belief in the university's power to make a difference. I'm pleased to report that private contributions to the campus totaled \$13.1 million in 2001–02, reflecting our community's enduring commitment to UC Santa Cruz.

This publication honors the individuals and organizations that have contributed to the university's excellence and promise. In helping the campus foster new knowledge and create social change, they fuel UCSC's dynamic academic achievements.

On a consistent basis, I am impressed by the strong support shown for this university. The trustees of the UC Santa Cruz Foundation lead the way, tirelessly promoting the accomplishments and potential of the campus. Working in concert with members of the talented UCSC community, trustees contribute valuable time and effort on behalf of this great institution. I commend them for their continued service.

As the Foundation owes much of its success to the university's entire community of supporters, I thank you all for your generosity and dedication to this outstanding campus. Together we will guarantee UC Santa Cruz's bright future.

# HIGHLIGHTS & ACHIEVEMENTS

for 2001–02

Harnessing the strengths of science, technology, engineering, policy, and social and behavioral science, STEPS will initially focus on three global environmental processes affected by human activities: climate change, genetic restructuring of ecosystems, and transformation of the Earth's major water systems.

Gordon Ringold and Tanya Zarucki

## Major Gift and Grant Bolster Environmental Research

UC Santa Cruz's tradition of pioneering environmental research received a boost from Foundation trustee and biotech entrepreneur **Gordon Ringold** (Crown '72). Ringold and his wife, **Tanya Zarucki**, contributed \$500,000—the largest outright gift to the university from an alumnus—to launch the new STEPS Institute for Innovation in Environmental Research. Harnessing the strengths of science, technology,

engineering, policy, and social and behavioral science, STEPS will initially focus on three global environmental processes affected by human activities: climate change, genetic restructuring of ecosystems, and transformation of the Earth's major water systems.

Environmental research also drew support from the **W. M. Keck Foundation** of Los Angeles, which awarded the campus \$1 million to purchase equipment for trace metal research, an area in which UCSC has excelled for many years.

## Endowment Allows Jewish Studies to Thrive

**Helen and Sanford Diller**, through the Jewish Community Federation's Endowment Fund, made contributions totaling \$1.5 million to establish the Helen and Sanford Diller Endowment in Jewish Studies. Under the direction of Professor Murray Baumgarten, coholder of the Neufeld Levin Holocaust Endowed Chair, Jewish studies has bloomed, fostering interdisciplinary courses, innovative research, and engaging lectures and events.

## Many Gifts Facilitate Student Success

Campus supporters came out in full force to financially help students achieve their academic goals. As part of a commitment totaling \$300,000, **Ramesh Bhojwani** established an endowed graduate fellowship

to assist needy students who are the first in their family to attend graduate school. Foundation trustee **C. Diane Christensen** generously funded graduate fellowships in environmental studies.

**Anne and Jim Bay** augmented their fellowship endowment, benefiting graduate students studying Victorian literature. Individual donors contributed \$93,493 to the Alumni Association Scholarship Fund,

which provided need-based scholarships to 25 undergraduate students this year. Inspired by his daughter, a recent UCSC graduate, **Stephen Rollins** established a scholarship endowment for business management economics stu-

dents. In memory of their brother **Stephen Palais, Nancy Levin and Richard and Donald Palais** created an endowment to facilitate student-faculty collaborations in mathematics and biology.

## Athletics Gifts Soar

Contributors such as Foundation trustee **Richard "Tod" Spieker**, parents, alumni, coaches, student athletes, and businesses contributed \$134,719 to intercollegiate athletics. Gifts were ultimately doubled under Chancellor **M.R.C. Greenwood's** matching program incentive. The chancellor's program to augment contributions to Slug sports will continue during the next four years.

## Solid Support for Campus Enhancements

The estate of longtime supporter **Dorothy Emigh** provided over \$130,000 to launch the McHenry Library Expansion Campaign. Generous contributions from **Pirkle Jones**, and **Edward Penhoet** significantly expanded Special Collections, underscoring the need for additional library space and a digitization and preservation laboratory.

Initiatives for new campus facilities also received wide support. The University Center, a central gathering place for the campus community and general public, exceeded its fundraising goal of \$400,000 through recent gifts from **Ramesh Bhojwani** and the **Affiliates of UC Santa Cruz**.

Ramesh Bhojwani

**John Simpson, Garry Spire** (Stevenson '77), **Anne Levin**, and **Mary Elizabeth "Betsy" Woolpert** are also among the contributors. Many thanks to everyone who made this effort a success!

## Trustee and Alumni Giving Milestones

Support from trustees and alumni reached new heights. At a 100 percent participation level, **Foundation trustees** gave over \$1.1 million, reflecting their belief in and commitment to the campus. Alumni contributed nearly \$1.4 million—the largest amount ever donated in a single year. The **Alumni Association councilors** all financially supported UCSC in their work to advance and promote the university.

## Foundations Expand Campus Programs

The **David and Lucile Packard Foundation** provided vital support to two campus arts programs that benefit the larger community. ArtsBridge, a program that places UCSC arts students in local schools to enrich arts education for K–12 youth, received a \$52,000 grant. Shakespeare Santa

Cruz, the campus's nationally recognized professional theater company, also received a \$90,000 grant for general operating support and implementation of strategic goals. Besides these grants, the foundation also awarded \$250,000 for the preconstruction phase of the university's Early Education and Care Center.

The **William and Flora Hewlett Foundation** awarded nearly \$70,000 to the UC College Prep Initiative (UCCP) to fund a Virtual High School Summer Institute for educators and an evaluation of online tutoring programs.

The **Ewing Marion Kauffman Foundation** continued its support of the Career Center's program to provide students with internship opportunities in the nonprofit sector.

## More Good News

**Harold Gordon and Annette Gordon** enhanced education for stellar music students through their donation of a rare violin.

**Michael Graydon** (Cowell '70) established the Angelina, Sally, and Melanie Graydon

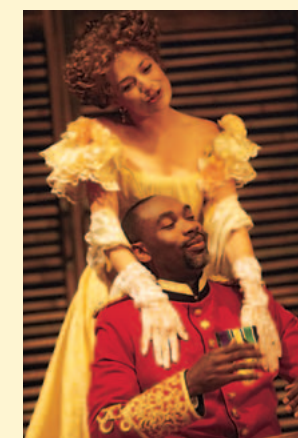

Reference Endowment, benefiting the University Library.

**Paul Newman, Joanne Woodward, and Nell Newman**, through Newman's Own Foundation and Newman's Own Organics, continued their generous support of the Santa Cruz Predatory Bird Research Group and the Center for Agroecology & Sustainable Food Systems' apprenticeship program.

**George Ow and Gail Michaelis-Ow** cosponsored a production of Shakespeare Santa Cruz's Summer Festival with **Barry Swenson Builder**.

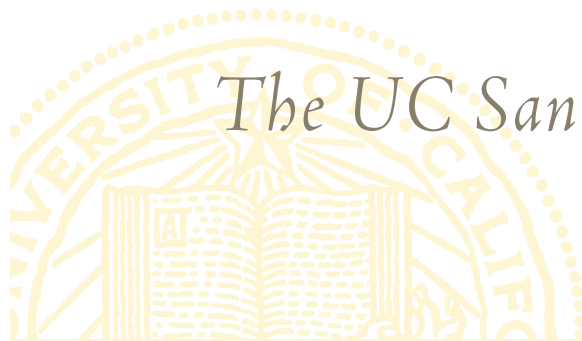

The Educational Opportunity Programs received a gift from **Joseph Zils** (Stevenson '76).

# Giving to UC SANTA CRUZ

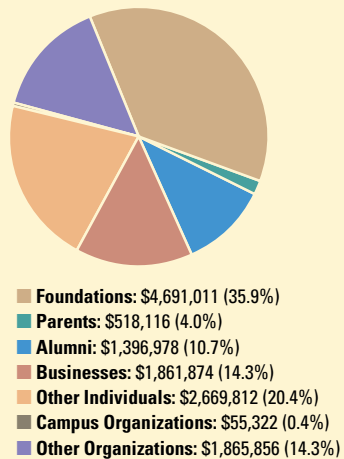

**T**HE WAYS OF GIVING are as diverse as the opportunities to join the campus in its mission of education, research, and service. The UC Santa Cruz Foundation welcomes outright gifts of cash, securities, and property. Gifts may also be pledged, with payment extended over time. There are also deferred giving options, including charitable remainder trusts, life insurance gifts, and bequests. Unrestricted gifts allow the campus to direct resources where they are needed most. Other vehicles for giving include annual giving, endowment gifts, special campaigns, and honorary and memorial giving.

The UC Santa Cruz Foundation welcomes all expressions of support. The Foundation has tax-exempt status granted under Section 501(c)(3) of the federal Internal Revenue Code, and all contributions to the Foundation are tax deductible to the extent allowed by law.

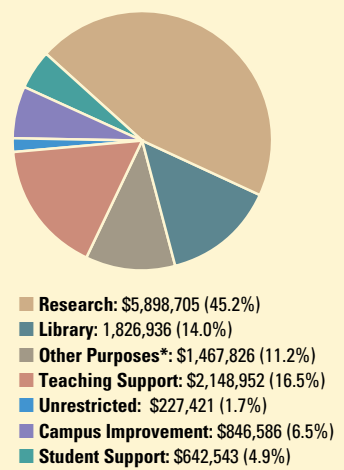

Financial data in this report was compiled prior to the final 2001–02 fiscal-year audit. Copies of the Foundation's audited financial statement are available upon request.

*This publication honors the many UCSC contributors who have invested in the achievements and future of this outstanding university. Many direct their gifts to one or more programs of special interest to them, such as a college, academic department, scholarship fund, or specific area of research.*
